10:00 — 11:15

HR Acuity's Roadmap and Product Features

Join the HR Acuity product team for an inside look at what's next for our solution. Explore the new Trust and Risk Dashboard, automated task workflows and get an exclusive preview of upcoming product releases and features. This is your opportunity to share feedback directly with the team.

11:15 — 11:30

Break

11:30 — 12:30

How We're Using It: Customer Showcase

In this rapid-fire showcase, customers take the mic for 15-minute spotlights to share where they started, what they're focused on now and how they're using HR Acuity. Expect real examples covering permissions, integrations, reporting and more.

12:30 — 1:30

Lunch

1:30 — 2:30

How Customers Are Driving Adoption and Impact

In this customer panel, hear directly from peers on how they're driving adoption, building efficiency and putting AI and automation to real use. Come ready to listen, ask questions and leave with tactics you can put to work.

Break

2:45 — 3:45

Your Feedback Shapes What We Build

We're pulling back the curtain on what we've been building and what's coming next. Hear updates on Intake and Triage, get a peek at concepts we're exploring, and tell us what you want to see. Your input drives our roadmap.

3:45 — 4:00

Closing

5:30 — 7:30

Dinner on the Beach

Trade the conference room for the coastline. Join your fellow customers for an evening of good food, great conversation and some well-earned downtime on the beach.
