

HRACUITY®

# HR Acuity + Workday: *Better Together*

*Streamline* the way you manage both routine HR inquiries and complex employee relations and investigations.

## Here's how it works:

With Workday Help, HR leaders can manage all HR knowledge while employees get the answers they need all in one place. When more complex workplace concerns arise, HR Acuity steps in—ensuring that employee relations issues and investigations are handled with precision and care.

### Routine HR Inquiries

Content and Service Discovery

Robust Knowledge Management

Efficient HR Case Management

### Complex ER Cases

Streamlined Workplace Investigations

Centralized Evidence and Reporting

Reduce Risk and Ensure Compliance

**The result?** A more transparent, supportive and efficient work environment that not only streamlines HR operations but also ensures that highly-nuanced and confidential employee issues and investigations are handled with the utmost care and efficiency.

HRACUITY®

Welcome to the *next generation*  
of employee relations.
